

Tactical Training Bases

- The Orchard Combat Training Center has six Tactical Training Bases of various sizes conveniently positioned near the ranges for Field Training Exercises
- Three TTBs are capable of supporting up to 1,500 PAX; two have the capacity to support 750 PAX, and one TTB has the capacity to support 500 PAX.
 - TTB Eagle – 240m x 80m
 - TTB Birch – 360m x 240m
 - TTB Donaldson – 300m x 300m
 - TTB Brumpton – 140m x 240m
 - TTB Lowe – 180m x 270m
 - TTB French – 80m x 120m
- TTBs can be set up to replicate Forward Operating Bases, complete with towers and entry control points
- Each TTB is covered with cinder rock to mitigate dust and reduce the impacts of large unit footprints on the environment
