

## RANGE 15

### Multi-Purpose Machine Gun Range

- Five machine gun pits with individual lanes from 50m-1100m
- Used to train and qualify Soldiers on M249 SAW, M240B, MK19, M2 Machine guns and Sniper weapons
- Event specific target scenarios are computer-driven and scored from the tower, providing immediate performance feedback and the ability to print score sheets
- AAR building located on the Range
